beautify the world™

## **Michael H. McGarry**

### **Executive Chairman**

Michael H. McGarry is executive chairman of PPG, a role he's held since Jan. 1, 2023. He served as chairman and chief executive officer (CEO) from September 2016 to December 2022, and CEO from September 2015.

McGarry joined PPG in 1981 as an engineer at the company's Lake Charles, Louisiana, chemicals complex. He then progressed through management assignments such as market development manager, silica products; operations manager, silicas, Thailand; business manager, TESLIN® sheet; and product manager in the derivatives, chlorine, liquid and dry caustic soda businesses.

In 2000, McGarry became general manager, fine chemicals, and in 2004, he was named vice president, chlor-alkali and derivatives. He relocated to PPG's European headquarters in Rolle, Switzerland, as vice president, coatings, Europe, and managing director, PPG Europe, in 2006. McGarry returned to the U.S. as senior vice president of the Commodity Chemicals reporting segment in 2008, and he was elected executive vice president in 2012 and chief operating officer in 2014. He became president and chief operating officer in March 2015, and he joined the company's board of directors in July 2015 while serving in that role.

McGarry currently serves on the Board of Directors of United States Steel Corporation (NYSE: X) and the Board of Directors of Shin-Etsu Chemical Co., Ltd. He is a former member of the board of Axiall Corporation (NYSE: AXLL), and former chairman of the Board of Directors of The American Coatings Association (ACA).

A native of New Orleans, McGarry is a mechanical engineering graduate of the University of Texas and completed the Advanced Management Program at Harvard Business School
